

*The Society of
American Military Engineers*

JACKSONVILLE POST

Dear SAME Sustaining Member Firm:

It is the policy of the United States to have an Emergency Mobilization Preparedness Capability that will ensure that government at all levels, in partnership with the private sector and the American people, can respond decisively and effectively to any major national emergency with the defense of the United States as first Priority.

National Security Council NS DD-47

The Jacksonville Florida Post of The Society of American Military Engineers is seeking your help in achieving **100 percent** commitment to Readiness Planning and Disaster Response by our Sustaining Member firms. Please take a few minutes to renew your firm's commitment to this goal by completing and promptly returning the **Sustaining Member Firm Readiness Profile Questionnaire**. This is a PDF form and can be completed and returned via emailed for a quick and easy response.

The information from your response will be included in our update of the Jacksonville Post's Sustaining Member Firm Readiness Matrix. A link to this matrix is posted on the Readiness and Homeland Security Homepage to be available for access at all times. The matrix will also be distributed to local, State, and Federal emergency management and response agencies in our region. The Readiness Matrix is designed to aid agencies in locating needed resources in the event of an emergency.

Please **email** your completed Questionnaire to **Al Walker**, alfred.e.walker@usace.army.mil. Your prompt response would be greatly appreciated.

Thank you for your continued support and in helping to guard the safety of our local communities and our country.
